REQUEST FOR REMAND

Commissioner for Trademarks
P.O. Box 1451
Alexandria, Virginia 22313-1451

Sir:

Applicant, by and through its undersigned counsel, hereby requests that the instant application be remanded to the Examiner for consideration of an electronically filed Request for Reconsideration to amend to the identification of goods.

Applicant previously filed a Request for Reconsideration to amend the identification of goods for International Classes 7 and 12. The Examiner accepted the amendment for International Class 12, and accepted in substantial part the amendment to the identification for International Class 7. An Office Action issued setting for the additional requirements for International Class 7. The application was returned to the Trademark Trial and Appeal Board for the resumption of the Appeal.

Applicant has filed a new Request for Reconsideration and believes that it complies with the Examiner's requirements to amend the identification for International Class 7 and that this will render moot the need for an Appeal. The application would be in order and would be past to publication.

The purpose of this Request is not to delay the proceedings.
